# Vizient Contract Agreement #CE2843

Contract runs through September 30, 2020

## Vizient has selected RICOH® as a Supplier of Document Management Solutions.

That is why Ricoh is part of Vizient's document management portfolio of printers, copiers, fax systems, and healthcare solutions. With Ricoh, Vizient members have access to a dedicated sales and support team that understands healthcare and has hands-on experience serving a wide range of healthcare customers, including acute care facilities, dedicated surgical centers, and smaller clinics. Also, Ricoh's deep understanding of healthcare customers' priorities drives the development of new products and services to better serve Vizient members.

By working with Ricoh, Vizient members can expect document management solutions that enable reduced operating expenses, improved care quality, enhanced patient safety, and achieving regulatory and Meaningful Use compliance.
