

AMERICAN NITRILE

AUTHENTIC AMERICAN PROTECTION

GRANITE

MADE IN THE USA TO PROVIDE UNCOMPROMISING ROCK-SOLID PROTECTION AND PERFORMANCE.

Granite nitrile gloves combine comfort, durability, and protection for hardworking hands to optimize performance. The perfect balance of strength and flexibility, these American-made gloves protect hands from harsh chemicals, abrasions, and more.

AMERICAN NITRILE ADVANTAGES

Every American Nitrile glove is proudly manufactured at our state-of-the-art facility in Grove City, Ohio. As the preferred domestic source for nitrile gloves, we ensure:

- ✓ **Delivery:** Stress-free and just-in-time, eliminating unpredictable transpacific shipping, port delays, and the need to carry high safety stock.
- ✓ **Corporate social responsibility:** Sustainability in energy and raw material usage plus visibility into ethical labor practices.
- ✓ **Product quality:** Our gloves are 100% made in the USA to ensure safety and quality are never compromised.

KEY FEATURES AND BENEFITS

Textured fingertips

Tough, 5.9 mil finger density for exceptional grip yet versatile enough to interact with touchscreen devices.

Granite gray color

Optimal color to easily identify grease, powders, contaminants, blood, and other substances.

Reduced allergens

Our material and cleaning process eliminate the risk of Type I latex allergies and Type IV chemical allergies.

Superior AQL

2.5 AQL, comparable to medical grade, means reduced pinhole formation and better protection for users.

Tested

ASTM F739 for chemical splash protection use and ASTM F1342 for puncture resistance.

Enhanced comfort

Natural feel minimizes muscle fatigue, and reduces risk of hand injuries.

THE RIGHT FIT FOR:

- Automotive
- Warehouse
- Janitorial
- Law Enforcement
- Manufacturing
- EMS

SUSTAINABILITY IMPACT:

Low carbon footprint, no transpacific vessels used

Up to 40 gallons of water recycled per case

100% recycled/recyclable cardboard packaging

AUTHENTIC AMERICAN PROTECTION

PRODUCT INFORMATION

Material	Nitrile
Color	Granite gray
Glove Design	Chlorinated, fingertip texture, powder-free
Cuff	Beaded
Audit Standards	GMP
Packaging	100 per box • 1,000 per case
Shelf Life	3 years
Country of Origin	USA
User Needs	Chemical splash and abrasion protection, puncture resistance
Sizes	S, M, L, XL, XXL

PHYSICAL PROPERTIES

	Typical Performance		Testing Method
Length	245 mm/9"		ASTM D3767
Freedom from Holes	2.5 AQL		ASTM D5151
Palm Thickness	0.12 mm/4.7 mil		ASTM D3767
Finger Thickness	0.15 mm/5.9 mil		ASTM D3767
Glove Weight Medium	5.0 grams		
	Before Aging	After Aging	
Ultimate Tensile Strength (MPa)	>27	>24	ASTM D412 & D573
Elongation at Break (%)	>500	>400	ASTM D412
