

About Savvik

We have the simple goal of providing the equipment and supplies our members need at the industry's best prices. Savvik creates national cooperative purchasing solutions on behalf of its member agencies. These member agencies include EMS and public safety, government, education, and non-profit organizations nationwide.

-
- Nearly all of our contracts are competitively bid.
 - There is no cost or obligation to join. You are free to pick the programs Savvik offers that work for you. We're here to help you save money, not dictate how you do business.
 - We leverage the buying power of over 14,000 members to be sure your organization gets the lowest prices on supplies.

How we can help:

- We give 1/3 of our profits to our State and National Association partners every quarter.
- Savvik's competitive bidding ensures full and fair competition, allowing us to do the bidding for you.
- Savvik provides you with service after the sale. We pride ourselves on customer service both before and after all Savvik purchases.
